About Uppercut Elevators and Lifts

We are a 100% locally owned and operated family run business. We are not a home medical company and specialize in the sales, service and maintenance of elevating devices. Our advantages include:

- ✓ Weekend and after hours service
- ✓ SECOR certification for safety
- ✓ 125 years of combined company experience
- ✓ Commercial and residential installations
- ✓ 15 staff dedicated to elevators and lifts
- ✓ Offices in Calgary and Edmonton

Give Your Life a Lift

Gain access to your porch, deck, or floor-to-floor without sacrificing space with a compact Bruno residential vertical platform lift. The quiet, smooth lift accommodates any wheelchair, power chair or scooter. Give yourself the freedom to get in and out of your home with just a push of a button. You're in control.

COUNT ON BRUNO QUALITY

EASY-TO-USE – Pressure control rocker switch up/down operation. Automatic self-lowering ramp folds down for smooth roll on/off access; folds up when in use to create a safety barrier.

HIGH-PERFORMANCE – Lift capacity of 750 lb/340 kg. Smooth, quiet ride. Made-in-the-USA quality.

SAFE – Unit shuts down when obstruction is touched under platform. Emergency stop switch on platform.

RELIABLE – Continuously charged DC battery-powered motor on lifts 10 ft and above ensures operation even in a power outage. Affordable AC in 4- and 6 ft units (DC battery powered optional)
Gold warranty: 2 years, major components; 1 year, parts.

OPTIONS TO MEET YOUR NEEDS

- Top landing gate
- Landing call/send station
- Platform gate
- Multiple platform sizes and configurations
- Cold-weather package
- Paddle controls
- DC battery powered in 4- and 6-foot units

About Bruno

Bruno Independent Living Aids has helped improve the lives of people with limited mobility for nearly over 35 years. Engineered and manufactured in the USA, Bruno stairlifts and vertical platform lifts help people better access homes, public buildings and businesses, and Bruno's full line of scooter/powerchair lifts help people easily transport their mobility devices. A family-owned business, Bruno takes pride in their unwavering focus on quality and safety and their position as industry innovation leader.

Proudly made in the USA.
